

# HITACHI

## SDS Max Low Vibration Demo Hammer

H45MRY

### Specifications

- >> **Amp:** 9.2
- >> **BPM:** 3,000
- >> **Impact:** 9.4 ft/lbs
- >> **Weight:** 13 lbs

### Standard Accessories

- >> **Case**
- >> **Side Handle**
- >> **Bull Point**
- >> **Grease**

**Notes:** This demo hammer is first in its class to offer patented User Vibration Protection (UVP) technology. A dynamic counterweight coupled with dampers in the switch handle reduces vibration up to 60% and increases tool life by 30%. With best-in-class impact energy, material removal and vibration the H45MRY is unmatched in productivity.
