DV18DCL

Specifications

- >> **Volts** 18
- >> **RPM** 0-400, 0-1500
- >> **BPM** 0-21,000
- >> **Chuck** 1/2"
- >> **Torque** 345 in/lbs
- >> **Weight** 4.2 lbs

Standard Accessories

- >> **1.5Ah Lithium Ion Batteries (2)**
- >> **Charger**
- >> **Driver Bit**
- >> **Case**

Notes: This hammer drill is an ideal tool to tighten and loosen fasteners, drill into wood materials, plastic, steel, aluminum, brick and concrete block. It features a 1.5Ah 18V Lithium-Ion battery that boasts 3X the running time of traditional NiCd batteries, yet weighs 50% less! The batteries are also backwards compatible, which means they can be used with Hitachi's other 18V cordless lines.
