

HITACHI

15-Gauge Angle Gas Finish Nailer

NT65GA

Specifications

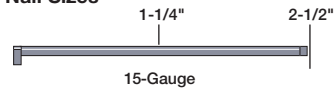

- >> Nail Capacity 100
- >> Weight 4.4 lbs

Standard Accessories

- >> (2) 3.6V HXP Li-Ion Batteries
- >> AC/DC Charger
- >> No Mar Tip
- >> Safety Glasses
- >> 4mm Hex Wrench
- >> 3mm Hex Wrench
- >> Case

Capacities

>> Nail Sizes

Notes: Fastens 15-gauge angled finish nails and operates on fuel rod and battery. Battery charges in 1/2 the time of the competition and drives over 2,000 nails per charge. Features such as dry-fire lock-out, low battery indicator, tool-less jam release, depth of drive and variable position hook offer convenience to the user. Lightweight and well-balanced, this portable finish nailer moves easily around the jobsite with the added hassle of hoses or compressors.
