# Bio Cart™ HEPA 10

Permanent & washable, electrostatic pre-filter in air scrubber.

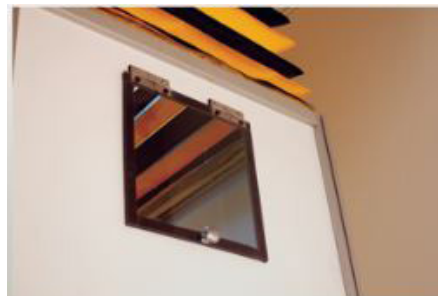

HEPA replacement via exterior door. Interlock on HEPA door to stop blower motor and turn off UVC/UVGI lights when opened.

Built in extension ladder that can be transported through doors and elevators without being removed.

Swivel casters on all 4 corners allow one tech to maneuver through tight areas or long halls.

Convenient hinged pass thru ensures controlled access.

The expanding and collapsing bellows are operated by a power lift and maintain negative pressure in the work area at all heights without "billowing" into the cart when air scrubber is turned on. Stands 6.5 feet when bellows are collapsed and reach a max of 10 feet with the bellows extended.

# SPECIFICATIONS

★ = Feature Exclusive to the Bio Cart

★	<b>Air Scrubber Fan</b>	880 CFM @ 300 Watt - 62 Db.
★	<b>Bellows</b>	Fire retardant black and yellow vinyl that is 3in high when collapsed and 45 in high while extended.
	<b>Cable Pass Through</b>	Cable feed pass through with 4 rollers and a heavy bristle air seal.
	<b>Caution Sign</b>	Externally visible LED "In Use" sign.
★	<b>Construction</b>	Extruded aluminum frame with melamine walls that are easy to clean. Aluminum power lift mechanism.
★	<b>Controls</b>	Control panel with lift up / down switch and air scrubber fan switch.
	<b>Documented Protection</b>	Document holder on door.
	<b>Door</b>	Aluminum frame with a white thermal bonded skin that is 27" W x 66" H. Locks from inside or outside.
★	<b>Filtration</b>	Permanent/Washable electorstatic pre-filter. HEPA Filter 99.97% @ 0.3 micron.
★	<b>Ladder</b>	15ft telescoping ladder.
	<b>Lighting</b>	Interior white LED lighting.
★	<b>Power Cord</b>	Built in with a 40ft long retractable power cord. Grounded plug and roll up guide mechanism with circuit breaker.
	<b>Power Outlets</b>	2 power outlets with USB charger on control panel.
	<b>Size Collapsed</b>	73" L x 32" w x 77" H
	<b>Size Fully Extended</b>	73" L x 32" w x 120" H
★	<b>Top Lifting Mechanism</b>	2-stage power lift with foam seal at the top - for ceilings from 7ft. To 10ft., 2in high.
	<b>Weight</b>	720 lbs.
★	<b>Wheels</b>	4" diameter x 2 inches wide, non-marking. Rated 900 lb. (for 4). 2 wheels with brakes and two with swivel locks.
	<b>Windows</b>	One hinged, lockable, as a tool pass through from the outside.
